I think the friendship Seats are a good idea because they make our school a better school. Cruz.

Friendship Seats are a good idea because some people have trouble making friends. Charlize.

They are a good idea because they give kids courage to get to know new people. Mirri.

Friendship Seats are great because they are colourful, good looking and are amazingly made from plastic bags, and they really do give you friends. Mitch.

An amazing idea because Preppies can find new friends and if your friends are away or have left the school you can make new friends – you really can! Samantha.
